

## Key Flood Protection Info Resources for Toronto Residents

This document has been developed to help Toronto and area residents take action to reduce their flood risk. Contact information for two important government organizations has been provided to help residents determine:

- Answers to detailed questions for different agencies
- What flood prevention subsidies and building permit grants are available
- What permits are required before starting a project and how to get them

### City of Toronto

**Key Topics Covered: Basement Flooding Protection Subsidy Program and City By-laws (building, grade change and plumbing permits, City trees) and water flowing overland in your area**

Phone Within City Limits: 311 or 416-338-0889

Phone Outside City Limits: 416-392-2489

Email: [311@toronto.ca](mailto:311@toronto.ca)

Websites:
